RE: Telera Communications, Inc. (Docket No. 00-01134)

Dear Mr. Steinhart:

The Tennessee Regulatory Authority requests the following information regarding the Application of Telera Communications, Inc. (as specified in the application, "Telera" or "Applicant") for a Certificate of Public Convenience and Necessity to provide facilities based local exchange and long distance telecommunications services within the State of Tennessee pursuant to TCA §65-4-201.

According the Telera's application filed on December 27, 2000, the application stated, "As a competitive carrier, Telera maintains is book of accounts in accordance with Generally Accepted Accounting Principles ("GAAP"). Moreover, Telera asserts that because it utilizes GAAP, the Commission will have a reliable means by which to evaluate Telera's operations."

Currently, the TRA has not received a complete set of current financial statements for Telera Communications, Inc. The TRA is appreciative of the Company responding to previous data requests, but the response to this item is still incomplete. This is a standard request for all CLEC applicants in the State of Tennessee.

Please submit the requested information by April 3, 2001. If you have any questions, please contact Darrell Whitis at (615) 741-2904 (ext. 132). We appreciate your cooperation in this matter.

Sincerely,

David Waddell
Executive Secretary
